

Temporary COVID-19 Family Handbook Changes

- **Hours of Operation:** 6:45am – 5:30pm
- **Arrival & Departure Procedures:**
 - Our program doors open at 6:45am. Families are required to remain outside of the childcare facilities at drop-off & pick-up. All adults and children attending kindergarten and older are required to wear face coverings. Six feet of physical distancing must be maintained between families dropping off & picking up children. Knock or ring the doorbell at your child's designated entrance/exit. All families will be asked to complete a daily health screening including a temperature check (of children) and COVID-19 questions at drop-off.
 - SCDC programs close promptly at 5:30pm and staff are not scheduled to care for children after this time. Any time you arrive later than 5:30pm, you will be charged a late fee of \$1.00 per minute per child.
- **Bus Trips:** SCDC hopes to begin adding bus trips to full-day preschool class calendars beginning in October. This will depend on COVID-19 rates & restrictions in our communities.
